

19th Annual

JANZEN RANCHES

Red Simmental

& Red Angus Bull Sale

Thursday, 2:00 p.m.

February 16, 2012

on the ranch, Rosemary, AB

Welcome

Hold onto the tail and she'll pull you through.

Wow, hope this trend stays a few years! With heavy steer calves dollaring out over a thousand dollars, now would be a good time to get some performance in your next calf crop and at our place we try to do that without sacrificing calving ease. With last year's never-ending winter, calving would have been a lot more work if we had to assist cows at birth. The cows had a great grass year with good spring rains. The little bit of farm land we have was, well, the white combine took care of that.

There are a couple new sire groups that we feel should be good for any direction you need to go with your cows. Please feel free to come anytime prior to the sale, phone us or any of the sale staff. Remember the sale will start at 2:00 PM and the bulls will be outside and Sandy will be there with chili and a bun for lunch.

Payment Terms:

Full payment on sale day, OR ½ purchase sale day with the balance due May 1st.

**Take your purchase home sale day
and receive \$50 off!**

Delivery

Free delivery of bulls at the purchaser's risk to points within a 350 mile radius of Rosemary. Delivery beyond the 350 mile radius will be at cost. Delivery will start April 15. Bulls may be kept at Janzen's free of charge until delivery. Should the purchaser wish to extend the bull's stay beyond this date, the cost of feed and care will be \$3.00/day/bull. Each bull becomes the buyer's risk when sold. Insurance will be available at the sale and should be purchased for bulls left at Janzen Ranches for feed and care.

Semen Testing

All bulls will be measured and palpated by our vet. With the bulls not being over a year off age, we will test the bulls in the warm weather, around the end of March.

Sales Management Comments

The biggest testament to a registered cattle breeder is to establish a repeat customer base. When your customers spend their hard earned money on your product, and repeatedly return to do it again and again, it completely validates your objectives as a livelihood choice. Janzen Ranches possess one of the best repeat customer followings as any breeding unit we offer our complete sale management services to. Not only is the customer base satisfied enough to return time and time again but many buy in volume too. Producers are able to satisfy multiple purchases with the availability of large sire groups made from the exclusive Janzen Ranches' herdbull battery.

The "soundness" of the Janzen bulls would also of course be a large reason for the satisfied loyalists. The foot quality always annually impresses me very much. It is nice to know you don't have to screen for structure in the Janzen bulls. Additionally, these bulls are the final sort created from 300 mother cows.

We hope to see you at the ranch sale day, but if you can't make it, feel free to give us a call to assist you with your purchasing needs.

For the Janzen families,

Jay Good,
