Welcome

Bull Selection Time. The mere thought provokes a lot of different emotions. Our goal at Lone Stone Farms is to make bull buying an enjoyable experience. For 34 years we have been seeking out and purchasing proven genetics. We stay away from fads and unproven genetics. Our cow herd shows the results of that kind of management. We raise our bulls on a high fibre, high roughage, high protein diet to maximize muscle development and growth and maintain a healthy rumen. Our pens are large so you can walk out the bulls and see their feet.

Our sale will be technically up to date with DLMS online services, a facebook page, our own Lone Stone website and Transcon's website but our values are old fashioned and time tested. Our bulls sell in their entirety. We do not retain any part of any bull and there are no sale credits to bid against.

We value every bidder and buyer and do our utmost to make your experience with Lone Stone Farms enjoyable and profitable.

Please join us sale day. The food is good, the building is warm and the people are friendly.

Lonnie

Sales Management Comments

Welcome to the annual Lone Stone Farms Simmental and Red Angus Bull Sale, held in one of the most family friendly sale facilities in Canada.

Lonnie& Karen along with Nathan & Alisha are the work force in this true family farming operation. This family has a true passion for agriculture, with both family's only income being provided by the farm. This is one of the most positive and upbeat operations in the industry, whether they are calving the 300 cows or harvesting the nearly 2000 acres.

This year's offering is led by one of the strongest set of Simmental and Red Angus 2 year olds ever offered at this sale. These 2 year old virgin bulls spend the summer out on grass and the winter in a large pen. They are not pampered! Each breed will have calving ease and performance bulls available. Again this year you will find a strong set of polled Fleckvieh bulls to choose from. You will wear out a set of tires on your car to find a better set of performance Red Angus bulls. Both breeds will have large sire groups from the Lone Stone herdbull battery. The bulls are raised for longevity and there will be no retained ownership!

Come early and view the bulls and join us for one of the greatest meals of the sale season! If you are unable to attend give any of us at Transcon a call to go over your herdbull needs.

This Lone Stone Moonshine son leading off the 2 year old bulls is a powerhouse. We used his sire extensively during the two breeding seasons we had him. We lost him to an injury November of 2016. The male calves are growthy and stout. The females are feminine and thick. There will be three years of Moonshines in our bull sales. This is the second. Don't miss out getting one.

This bull is the second one to make the bull sale out of LNK 3A. A sibling sold last year to the Blumes at Vega. Bull number three is also in the sale as a yearling. This guy has a little less frame than the first three but he is just as thick.

I struggle to commit as to which one of the Moonshines is my favorite. (Actually I think the best one may be in the 2019 keeper pen.) This guy really catches my eye in the 2 year old pen. A maternal brother was sold in last year's sale to Martin Paquette. His mother, his grandmother and his great grandmother are still here working.

The dam of this bull is small in stature but is really thick and deep. I love the deep red color that both she and his sire, Colt, have passed on to him. Being out of Colt I do not recommend him for a heifer bull even with his lighter birth weight. Kevin Semler has bought a couple of her sons in earlier bull sales.

100% Full Fleckvieh. It's pretty fun selling bulls off our Arnie 8M cow. I prefer that she would give me daughters but this bull calf is no slouch. Easily he has been in the top five male calf division all summer and fall. Using Baron on 85X was a good choice. We have been trying to use her on all the different herdsires we own. The Baron females are really outstanding. Nice small teats and square bags.

All settlements must be made with the clerks of the sale before any cattle will be released.

BID - Every animal consigned to the sale must be sold by auction. No private sales will be allowed except as otherwise provided for in the terms and conditions. No by-bidding will be permitted. Each animal will be sold to the highest bidder.

SALES TAXES – Applicable sales taxes will be charged on semen, embryos and trucking fees (if listed), respective to the home province of the buyer, not the seller.

DISPUTES - In cases of disputes, bidding will be reopened between the parties involved. If no further bid is made the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

PURCHASER'S RISK - Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time.

INFORMATION SUPPLIED - The information contained in this catalog is believed to be true and accurate. However, the information has been supplied by the seller and neither Transcon Livestock Corp. or Jamesway Enterprises Ltd. assume any responsibility if the information supplied is not accurate.

CATTLE PICTURES - The images in this catalog are believed to be accurate representations of the individual animals. Transcon Livestock Corp. and Jamesway Enterprises Ltd. assume no responsibility if the images as received have been altered.

ANNOUNCEMENTS from the auction block will take precedence over the printed matter in the catalog. Buyers are therefore cautioned to pay attention to any such announcements.

CERTIFICATE OF REGISTRY - A registration/recordation certificate issued by the applicable breed association and duly transferred will be furnished to the buyer of each animal after settlement has been made. It is the responsibility of the buyer to determine the acceptance of this certificate in any other association.

SHIPPING - Assistance will be given in making shipment after the sale but no risk is assumed by the Sales Management or Seller. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement.

BREEDERS GUARANTEE - As per applicable Canadian Breed Association Breeding Guarantee guidelines. Copies are available at the sale settlement desk to be picked up by the buyer at any time. In no event shall the seller be responsible for reimbursing more than the purchase price.

EXCEPTION TO GUARANTEE - In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, the guarantee shall be null and void.

HEALTH - It is the buyer's responsibility to determine health requirements for importing any animal into his province or state. Transcon Livestock Corp. assumes no responsibility for the health status of any animal in the sale.

ACCIDENTS - Although every precaution will be taken to protect the safety and comfort of buyers, neither the Sales Management, auctioneer, consignors. or Association assumes any responsibility in this matter and disclaims any liability legal or otherwise in the event of accident or loss of property.

RIGHTS AND OBLIGATIONS - The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

TRANSCON LIVESTOCK CORP. IS AGENT ONLY - It is to be clearly understood that Transcon Livestock Corp. is only acting as a medium between buyer and seller and is not in any way responsible for any failure on the part of either party to live up to his obligations, neither does Transcon Livestock Corp. assume any financial obligations to collect or enforce collection of any monies between parties, and any legal action that may, in exceptional cases, be taken, must be between buyer and seller.

The Auctioneer shall have the right to refuse bids from anyone who has a previous record of default in payment or who has not made proper credit clearance prior to the sale with the owner or Sale Managers.
