

CAMDEN

12TH ANNUAL BULL AND FEMALE SALE

CATTLE CO.

With Guest...Niwa Ranching Co.

WEDNESDAY
MARCH 27TH

1 PM MST | AT THE RANCH
NEW BRIGDEN, ALBERTA

Welcome to the Sale...

Once again we are so excited to be hosting our annual sale at the farm. A huge thank you to buyers, bidders, the TRANSCON team, and for all who helped in anyway to make our 2023 sale a success.

Our group of bulls are quiet, hairy, stout, good footed animals. Sired by many top AI sires and six walking bulls. They were kept in a very large pen from weaning until the really cold hit. Then they were moved to where they can access a shelter. The ration starts with free choice hay and pellets, then changes to a TMR of silage hay and pellets. Both the bulls and heifers have been boosted with a 7-way and Pfizer one shot and were given Enforce as calves. By sale time the bulls will have had two shots of Fusoguard for some help in covering foot rot. All our bulls have been 100K sire verified and horn/poled tested.

Our cowherd is continually evolving and improving. We ruthlessly cull for udder soundness, feet quality, disposition, confirmation and performance. The heifers we have chosen for sale are all home grown. No commercial heifers were retained in our herd so only the top end is offered. Our purebred heifers are culled and sold in October and again in December. The remainder we feel are good solid females and could excel in any top commercial or purebred herd. They will all be sold in small uniform groups. Look for the videos to be online mid March.

We hope to see you Wednesday March 27 at the sale! Lunch at noon, sale at 1:00. Feel welcome to stay for beverages and socializing after the sale. All the bulls and heifers can be viewed at the farm anytime ahead of the sale, or if you have any questions please call us. The TRANSCON team will have been through the bulls multiple times by sale day, so if you'd like their expertise or help they'd be happy to talk to you. If you can't make it sale day, the sale is broadcast on TRANSCON ONLINE.

Hope to see you sale day !
Cheers from all of us at CAMDEN!

*Please Join Us for Lunch
On Sale Day!*

The Jorgenson Family
Email: camdencattle.lloyd@gmail.com
Website: www.camdencattle.ca

We lost our Mom, Grandma J, Great Grandma J, this year. A beautiful person, we are forever thankful for her love, encouragement, and words of wisdom. Mom J will be forever missed and always in our hearts. She will be sitting high in the saddle on sale day, smiling down on us.

On behalf of Camden Cattle Company, Niwa ranching and the crew at Transcon Livestock. We invite you to the 12th Annual Camden Cattle Co. and guest Niwa Ranching Bull and Female sale on the ranch, near New Brigden AB. These are some exciting times to be in the agriculture industry. The BEEF sector is one that has seen tremendous growth potential and a big upswing in market value \$\$\$.

These are two programs that are passionate about raising easy doing and carefree type cattle that will survive in the most diverse conditions. Both are located in East Central Alberta in hard grass country where lately they haven't received a lot of moisture.

As I toured, both the Jorgenson's and Niwa bull pens, in mid January my first impression was the consistency and quality of the bulls. The combined offering that they have put together for this year's sale are stout and thick made, big bodied, big hipped and have excellent phenotype. They are athletic and fluent in their movement and are super hairy. To top it off they are super quiet. Bulls that are right for the times. POUNDS = PROFIT \$\$\$

The two programs work well together and share some of the same breeding bulls during breeding season. They spend countless hours researching to find the freshest and best genetics to improve their programs and offer to you a very honest set of ranch raised Simmental bulls.

Added attraction to the sale is the great set of open replacement heifers. These are a very fancy set of Simmental influenced females that are top cut from their respective pens. Many of these will be sired by the same sires as the bulls in the sale. Rest assured they are second to none and deserve your attention! Congratulations to both breeding programs on their recent success at the Oyen Beef Expo with having Champion Pen of Bulls, Reserve Champion Ben of Purebred Heifers and Reserve Champion pen of Commercial Heifers.

Please join us on Wednesday March 27th at the Camden Ranch for some great hospitality and a damn good offering of cattle from these two breeding establishments. In the event you are unable to make it sale day but would like to purchase, give one of us a call here at TRANSCON. We will answer any questions you may have and give you our unbiased, honest opinion about the cattle on offer.

See You Sale Day!

MULTIPLE BULL BUYING DISCOUNT

Buy 3 bulls: 3% discount | Buy 4 bulls: 4% discount | Buy 5+bulls: 5% discount

DELIVERY

Bulls will be delivered free of charge within 500 km of New Brigden as soon as possible after the sale at the seller's convenience. Over 500km will be arranged at a cost. Bulls will be kept at the seller's farm only if prior arrangements have been made. All bulls returning to the seller's farm must be fully insured. \$100 cash in your pocket if you take your bull home by March 31. A night out on us!

TRANSCON'S ABSENTEE BUYER REPRESENTATION

The Transcon Team is available to anyone that cannot personally attend to confidentially appraise, bid and buy on your behalf. This service is conflict-free as we are not paid any buying incentive fees by the sellers and we are not active Simmental breeders. This service is also provided free of charge to all prospective buyers. Please call our cell phones for any assistance you may require.

HOMO POLLED

- Roosevelt son who is long bodied, good footed, and moves really well !
- His dam is a beautiful moderate Sheriff daughter whose pedigree goes back to one of our most proven cow families. - 102.
- This guy should calve easily and his offspring , male or female should be top end
- The young Roosevelt heifers we calved this year have picture perfect udders and great temperaments.

HOMO POLLED

- Dark red Playmaker son with length of body and plenty of performance
- Big dark feet and a great attitude
- Granddam raised Lot 1 in last years sale, selling to Clint Morloch
- Dam is a moderate easy doing 116E daughter.

MISS CAMDEN 105H - Dam of Lot 2

HOMO POLLED, HETERO BLACK

- This guy's had the herd bull look since day 1
- You can't make them much soggy than this 31L bull
- Wide topped, lots of length, big feet and moves really well.
- His dam 17H raised a really good one last year that sold to DM Long Cattle Corp.
- If you look at EPDs this fellow is top 1% WW, YW, and still maintains top 30% CE
- His granddam is one of our highest producing black cows.
- She raised our top selling black bull in 2022, sold to SW Land and Cattle
- This year she has a top Jager Bull, 69L Lot 8
- Won champion pair of bulls along with Lot 11 at Crossroads Beef Congress

HOMO POLLED

- Our last 68G son to sell, and he's a good one! Straight lines, wide topped, and travels really good on a set of big feet
- The dam is a Gambler daughter, who are turning into very good young cows with excellent udders

VIEW BULL SALE VIDEOS @
www.transconlivestock.com

- HOMO POLLED**
- Lots of dark red hair, like most of the future sired animals.
 - Very similar in makeup to the 103L bull above
 - Dam is another really nice moderate framed Gambler daughter who did a great job on this guy and he's from the 14M cow family we really like

- Length of body, good topped, good feet
- Dam is a heavy milking Western Force daughter and she goes back to the 42W cow family as so many do

Niwa Ranching Co. Welcomes You

I am honored and privileged to be invited back as a guest consigner at Camden Cattle's 12th Annual Bull Sale at their ranch! Last year was a steep learning curve as I ventured into the purebred world. I thank all those who have supported and encouraged me along this journey...and most of all the Jorgenson's for giving me the foundation on which to build my humble dream of raising purebred Simmentals.

The bulls on offer have been moderately fed for slow and consistent growth. They have been fed a whole oat/lentil mix and free-choice grass hay. They ran on a 70-acre pasture all fall and were not brought in until they were weighed and processed in January. Bulls are on a full herd health program and have been vaccinated with Merik Vison 8 Somnus with Spur, Vista Once and Bovilis Nasalgen.

My commercial and purebred herd are not babied! They are expected to walk, perform, and survive in a rugged ranch environment. This includes the drought that has devastated our area over the past number of years. I am a rancher first, and a purebred breeder second. My goal is to produce ranch-type cattle selecting genetic traits that are essential for the everyday ranching operation.

With a full-hearted attempt to bring you the best line-up I can offer. I have culled ruthlessly in both my heifer and bull pens. The commercial open heifers on offer are ranch raised/first-cut, reputation females that normally I would be keeping for my own herd...but as I slowly retain more purebreds, I am offering these quality commercial replacements for sale. They run with NO BRAND and are on a full herd health program and have been shown in both Medicine Hat and Oyen Pen Shows. I would never sell a bull or heifer that I didn't have the confidence to retain in my own herd.

I would like to thank my past buyers and bidders who supported me in my first sale last year. Also, a huge thanks to Transcon for managing our sale. Please stop by the ranch at Acadia Valley at any time to have a look at the bulls and heifers on offer this year.

Love the Girls of the Niwa Ranch
Louise, Tell, Joye and Wynn

Maureen
@Browny

HOMO POLLED

MAF 47F never disappoints and is one of my favorite cows out of the Meadow Acres dispersal! This bull has a lot of character and is out of the well know sire SVS Captain Morgan 11Z. There's a reason his semen is STILL in demand as he hits the ripe age of 12...and there's a reason I bred one of my top cows to this great AI sire! 302L Link is good footed, extremely quiet, halter broke, and was in our string shown at the Medicine Hat Pen show and Oyen Beef Congress.

This year, DESS Battalion 116D (aka Strut) has left his mark on my bull pen with over half my sale bulls being sired by this gentle giant! Strut was purchased from the late Bob Anderson's Tymarc Dispersal in a co-ownership partnership with Camden Cattle. He is well known for his quiet demeanor, huge testicles, length of body and a big square foot. Struts weaning numbers are in the top 5 percentile of the breed. This will be your last chance to purchase direct sons from this great sire!

DESS Battalion - Sire of Lots 52-57

HOMO POLLED

Another young Strut son. This time out of one of my flush cows BEE 632D. He is an easy mover and sits in the top 15 percentile for weaning weight. Did I mention, I thought enough of his mamma to flush her??

HOMO POLLED

This Strut son is the youngest calf in the sale, but don't let that deter you! His mother is a massive bodied/low-to-the-ground Captain Scream daughter with an excellent udder. This hairy boy is wide topped, has hip, nuts, but the best part is his stats. He sits in the top 10 percentile for both yearling and weaning weights. Retaining heifers or selling pounds, this guy should make both happen!

58 NIWA RANCHING OPEN PALPATED COMMERCIAL HEIFERS

This is your opportunity to purchase ranch raised/first-cut, open replacement heifers from the Niwa Ranch. These girls are Red Simmental/Angus cross including F1 crosses (Purebred Simmental Dams and Red Angus Sires) and are sired by the same walking bulls used on my purebreds. This quality group of females carry no brands, are palpated and are ready to be in your replacement pen!

- 58A - 3 Red Heifers
- 58B - 3 F1 Red Heifers
- 58C - 4 Red Heifers
- 58D - 4 Red Heifers
- 58E - 4 Red Heifers

Lot A - Reserve Champion Commercial Heifers
Crossroads Beef Expo - Oyen, AB

What to Watch for Next Year....

We all know in this industry that its all about "Next Year"! There are some pretty new and exciting things to look forward to as the 2024 calf crop hits the ground.

What to watch for in 2025 at the Niwa Ranch:

Calving EASE coming your way!! This calving season I really focused on calving ease. To do this, High Bluff Katman 30K was added to the herd and his calves just what I had hoped for. 2025 will bring a large selection of calving ease bulls to choose from.

BLACK. This is something I wasn't expecting to the extent I am seeing. In the efforts to add some diversity to my herd, I rolled the dice on multiple RC (Red Carrier) black bulls. It seems the dice came up black more times than not. Stay tuned for a selection of **BLACK** bull calves and heifers in 2025!

RED and WHITE. Who doesn't love a blaze?? In addition to blaze faced EUG HITCH 112H who is co-owed with Camden Cattle, I also added some more white faces to to my walking bull battery. CHAMPS Mamba 43K and Big Hills Rattler 850J gave it a whirl as two of my new young herd sires. Their calves are coming out just as I had imagined...with the classic money stripe!!! All these flashy walking bulls have been used on my commercial cattle as well, so look forward to seeing some bling in next year's bull and heifer line-up, as well as the commercial heifers!

HIGH BLUFF KATMAN 30K

EUG HITCH 112H

CHAMPS MAMBA 43K

BIG HILLS RATTLER 850J

Terms & Conditions

TERMS - The terms of the sale are cash, cheque, e-transfer, or wire and are due at the time of sale, unless other arrangements have been made between buyer and seller prior to the sale. Transcon reserves the right to charge interest at a rate of 2% per month on overdue accounts. The right of property shall not pass until after settlement is made. Transcon Livestock Corp. reserves the right to require a certified cheque as settlement before releasing any sale cattle. Should any purchaser fail to settle for their purchase Transcon Livestock Corp. reserves full power to resell the animal to the best advantage either publicly or privately, without further notice. Any loss arising from such resale together with keep and all other expenses shall be payable by the defaulter. All settlements must be made with the clerks of the sale before any cattle will be released. Transcon Livestock Corp and/or the Auctioneer shall have the right to refuse bids from anyone who has a previous record of default in payment or who has not made proper credit clearance prior to the sale with the owner or Sale Managers.

BID - No private sales will be allowed except as otherwise provided for in the terms and conditions. No by-bidding will be permitted.

SALES TAXES - Applicable sales taxes will be charged on semen, embryos, and trucking fees (if listed), respective to the home province of the buyer, not the seller.

DISPUTES - In cases of disputes, bidding will be reopened between the parties involved. If no further bid is made the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

PURCHASER'S RISK - Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the

purchaser's risk for a reasonable length of time.

INSURANCE - Each animal becomes the risk of the purchaser at the time of sale and should be insured. Animals returning to the seller's farm must be insured.

US BUYERS - There is an additional charge (approximately \$300.00 US dollars) that will be applied to each animal purchased. This covers documentation, vet inspections/testing required to export. This cost does not include transportation or brokerage which is the responsibility of the buyer.

CATTLE PICTURES AND INFORMATION PROVIDED - The images in this catalogue are believed to be accurate representations of the individual animals and the information contained in this catalogue is provided by the seller and believed to be true and accurate. Transcon Livestock Corp. and catalogue designers/

producers assume no responsibility if the images and/or information as received have been altered or is inaccurate.

ANNOUNCEMENTS - All announcements from the auction block will take precedence over the printed

matter in the catalogue. Buyers are therefore cautioned to pay attention to any such announcements.

CERTIFICATE OF REGISTRY - A registration/recording certificate issued by the applicable breed association and duly transferred will be furnished to the buyer of each animal after settlement has been made. It is the responsibility of the buyer to determine the acceptance of this certificate in any other association.

SHIPPING - Assistance will be given in making shipment after the sale but no risk is assumed by the Sales Management or Seller. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement.

BREEDERS GUARANTEE - As per applicable Canadian Breed Association Breeding Guarantee guidelines. Copies are available at the sale settlement desk to be picked up by the buyer at any time.

IN NO EVENT shall the seller be responsible for reimbursing more than the purchase price. **EXCEPTION TO GUARANTEE** - In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, the guarantee shall be null and void.

HEALTH - It is the buyer's responsibility to determine health requirements for importing any animal into his province or state. Transcon Livestock Corp. assumes no responsibility for the health status of any animal in the sale.

EMBRYO & SEMEN - Full settlement must be made before release is done and shipping arrangements should be done within 30 days of the sale unless arrangements made between buyer and seller prior to the sale. Shipping arrangements and costs are the expense of the purchaser once release has been given.

ACCIDENTS - Although every precaution will be taken to protect the safety and comfort of buyers, neither the Sales Management, auctioneer, consignors, or Association assumes any responsibility in this matter and disclaims any liability legal or otherwise in the event of accident or loss of property.

RIGHTS AND OBLIGATIONS - The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

TRANSCON LIVESTOCK CORP. IS AGENT ONLY - It is to be clearly understood that Transcon Livestock Corp. is only acting as a medium between buyer and seller and is not in any way responsible for any failure on the part of either party to live up to his obligations. Neither does Transcon Livestock Corp. assume any financial obligations to collect or enforce collection of any monies between parties. Any legal action that may be taken, in exceptional cases, must be between buyer and seller.
