Welcome from the crew at Transcon!

Welcome to the highly anticipated second annual Transcons Northern Connection Bull Sale! Join us for a pre-sale meal in the beautiful Ag Corral in St Paul, AB on Wednesday, April 3rd. As we reflect on the success of last year's inaugural sale, we are thrilled to invite you to take part in this exciting event once again.

This April event gives you the chance to acquire a bull that has undergone recent semen testing and is all set to start working for you. I'd strongly suggest getting your herdsires checked beforehand - it's been one wild winter with temperatures all over the map, and I suspect some herdsires might face a bit of a challenge passing the test.

This year's sale boasts an increased number of bulls, featuring a variety of herdbull prospects to cater to different preferences. Whether you are seeking power Fleck bulls, black blaze-faced heifer bulls, or robust Charolais bulls, you are sure to find the perfect match at the Northern Connection Sale.

Created with the goal of providing a place for emerging breeders to showcase their bulls, the Northern Connection Sale promises a unique opportunity to engage with a group of passionate and knowledgeable young breeders. Explore a wide selection of bulls covering every facet of the Simmental breed, including an exciting Charolais bull from Champs!

Having personally toured these bulls in early January, I was genuinely impressed by the consistent quality and depth they exhibited. These herdbull prospects, boasting excellent hair, robust build, and proper management, instill confidence in every purchase. I encourage you to join us on sale day and seize the opportunity to acquire top-notch bulls from this dynamic group of young breeders.

For those unable to attend, our dedicated Transcon team is just a call away. We are always delighted to discuss your herdbull shopping needs. Wishing you a successful sale day!

Warm regards,
Glenn Norton

Terms and Conditions

TERMS - The terms of the sale are cash, cheque, e-transfer, or wire and are due at the time of sale, unless other arrangements have been made between buyer and seller prior to the sale. Transcon reserves the right to charge interest at a rate of 2% per month on overdue accounts. The right of property shall not pass until after settlement is made. Transcon Livestock Corp. reserves the right to require a certified cheque as settlement before releasing any sale cattle. Should any purchaser fail to settle for their purchase Transcon Livestock Corp. reserves full power to resell the animal to the best advantage either publicly or privately, without further notice. Any loss arising from such resale together with keep and all other expenses shall be payable by the defaulter. All settlements must be made with the clerks of the sale before any cattle will be released. Transcon Livestock Corp and/or the Auctioneer shall have the right to refuse bids from anyone who has a previous record of default in payment or who has not made proper credit clearance prior to the sale with the owner or Sale Managers.

BID - No private sales will be allowed except as otherwise provided for in the terms and conditions. No by-bidding will be permitted.

SALES TAXES - Applicable sales taxes will be charged on semen, embryos, and trucking fees (if listed), respective to the home province of the buyer, not the seller.

DISPUTES - In cases of disputes, bidding will be reopened between the parties involved. If no further bid is made the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

PURCHASER'S RISK - Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time.

INSURANCE - Each animal becomes the risk of the purchaser at the time of sale and should be insured. Animals returning to the seller's farm must be insured.

US BUYERS - There is an additional charge (approximately \$300.00 US dollars) that will be applied to each animal purchased. This covers documentation, vet inspections/testing required to export. This cost does not include transportation or brokerage which is the responsibility of the buyer.

CATTLE PICTURES AND INFORMATION PROVIDED - The images in this catalogue are believed to be accurate representations of the individual animals and the information contained in this catalogue is provided by the seller and believed to be true and accurate. Transcon Livestock Corp. and catalogue designers/producers assume no responsibility if the images and/or information as received have been altered or is inaccurate.

ANNOUNCEMENTS - All announcements from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay attention to any such announcements.

CERTIFICATE OF REGISTRY - A registration/recording certificate issued by the applicable breed association and duly transferred will be furnished to the buyer of each animal after settlement has been made. It is the responsibility of the buyer to determine the acceptance of this certificate in any other association.

SHIPPING - Assistance will be given in making shipment after the sale but no risk is assumed by the Sales Management or Seller. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement.

BREEDERS GUARANTEE - As per applicable Canadian Breed Association Breeding Guarantee guidelines. Copies are available at the sale settlement desk to be picked up by the buyer at any time. In no event shall the seller be responsible for reimbursing more than the purchase price. **EXCEPTION TO GUARANTEE** - In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, the guarantee shall be null and void.

HEALTH - It is the buyer's responsibility to determine health requirements for importing any animal into his province or state. Transcon Livestock Corp. assumes no responsibility for the health status of any animal in the sale.

EMBRYO & SEMEN - Full settlement must be made before release is done and shipping arrangements should be done within 30 days of the sale unless arrangements made between buyer and seller prior to the sale. Shipping arrangements and costs are the expense of the purchaser once release has been given.

ACCIDENTS - Although every precaution will be taken to protect the safety and comfort of buyers, neither the Sales Management, auctioneer, consignors, or Association assumes any responsibility in this matter and disclaims any liability legal or otherwise in the event of accident or loss of property.

RIGHTS AND OBLIGATIONS - The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

TRANSCON LIVESTOCK CORP. IS AGENT ONLY - It is to be clearly understood that Transcon Livestock Corp. is only acting as a medium between buyer and seller and is not in any way responsible for any failure on the part of either party to live up to his obligations. Neither does Transcon Livestock Corp. assume any financial obligations to collect or enforce collection of any monies between parties. Any legal action that may be taken, in exceptional cases, must be between buyer and seller. disclaims any liability legal or otherwise in the event of accident or loss of property.

RIGHTS AND OBLIGATIONS - The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

Welcome from Champ Simmentals!

From us at Champ Simmentals we would like to welcome you to the Northern Connection bull sale. We have catalogued 14 bulls we believe in and stand behind. This year's bulls include flecks, reds, blacks and new to us a Charolais. We feel they add the perfect cross to Simmentals and the markets show just that..we still are fleck breeders first!

The bulls have been fed with longevity in mind. And we stand behind them we believe you'll love them as we do. These bulls are kid proof as they have been walked through daily by Lennon and she will be sure to tell you about each of them when asked. Along with Lennon our Dad Stan deserves a big thank you for his work when we are both away

We would also like to thank last years buyers and bidders for your support looking forward to seeing everyone April 3 St. Paul, AB.

"When buying a herdsire... you want to

Make sure he's backed by a great cow" Valhalla has a maternally stacked pedigree Petra 95p, Zelle, Zaila. On his dams side the great Petra 4077 and Pricilla add in sires such as Whistler, Ferdinand, Jahari, United, Universe ...on pedigree alone deserves a long look. But Valhalla is more than a pedigree. He's a calf that puts it all together. Foot and leg structure, rib shape and length of spine. He will be a feature in St. Paul he glides around effortlessly.

Welcome from Mountain Ash Simmentals

Welcome to the 2nd Annual Transcon's Northern Connection Bull Sale. We would like to thank the Transcon team for their excellent ability to showcase and market the bulls. We wish all our fellow consigners a successful sale.

We are pleased to bring a strong set of bulls to the St. Paul Ag Corral for your consideration. The bulls we have on offer are Fullblood, Full Fleckvieh. Our bulls are fed free choice hay and we hand pail them brown oats on a controlled program. We are in the bull pens everyday in order to accustom them with human interaction.

Farm visits are always welcome. Please do not hesitate to contact us with any inquiries.

Hope to see you on sale day.

LOT 21 · MOUNT ASH GRAPPLE 28K

Welcome from Back in Black Simmentals

Welcome to Transcon's Second Northern Connection Bull Sale! We would like to start by thanking Transcon Livestock and our fellow consignors for making this sale possible. We would also like to thank everyone that bought from us in 2023! Last but not least thank you to Ray Agro in Stony Plain for working with us to ensure our animals always have high quality feed. We want to send a warm welcome to the new consignors that are joining us this year. We look forward to working with you!

This year we've got a bull for every operation. High performance bulls and a good selection of high calving ease bulls for the heifer pen. All 7 bulls are quiet and easily manageable for me to work by myself.

The bulls are fed free choice hay and loose mineral, and are on a pelleted ration. The bulls have been given: First Defense at birth, and have been vaccinated with Ultra Choice 8, Bovishield gold one shot and Fusoguard as well as pour on bovimectin. Their Breeding Soundness evaluation has been completed by Barrnorth Vet clinic.

LOT 22 · LENG KNIGHT 93K

HOMO POLLED - HOMO BLACK

If you are looking for a bull to cover some miles in your cow herd this spring then this is the guy for you. This powerful no miss 2 year old has all the bells and whistles. He is built incredibly smooth and long with impressive muscle composition, set atop of a perfect square foot, every calf he throws will come out black and polled. He has some noteworthy genetics on both sides of his pedigree - note his mother is a direct daughter of Absolute, a calving ease bull whose semen is incredibly hard to come by! 93k would be the perfect no worries bull to throw into your cow herd this spring.

HOMO POLLED - HOMO BLACK

Gestation 281 days

"Legend" there's no better name for this cool bull. An absolute fan favourite around here. Quiet as they come and out of our "Georgia" cow who garnered a lot of attention at Transcon's Red and Black sale in 2020. Georgia does it every year and in 2023 she weaned Legend off at an impressive 963 pounds on September 9th. 87 pound birthweight to 963 pound weaning weight! Georgia is the type of cow to never miss a meal, she stayed in perfect condition while raising this bull. Legends full sister sold to Skyline Simmentals in Transcon's 2022 Red and Black and she's one heck of a first calver. Watching any sales you will notice that blazes are hot, if you're looking for a beefy bull with a shot of calving ease guaranteed to give your calves some beautiful chrome here's your guy.

LOT 24 · LENG LAWMAN 55L

HOMO POLLED

Gestation 291 days

Very cool Miller son here, going back to our TSF Emma 29E cow, who is the dam of our high selling heifer Linette 14L that we sold to Triangle Stock Farms at Red & Black this past December. Lawman is our youngest bull on offer but he never missed a beat catching up to his pen mates. He is full of middle and will cover some cows with his impressive scrotal development. If you are in the business of marketing your steers in the fall, it comes down to the pounds gained on the cow per day. Lawman is off of a very attractive second calver and his average daily gain was 3.4 pounds a day. Pounds pay!

HOMO POLLED - HOMO BLACK ½ PERCENTAGE

POWERHOUSE bull here. He will be easy to spot come sale day. Out of an attractive purebred cow we unfortunately couldn't get the papers for, therefore he is registered as 50%. We kept his maternal half brother a few years ago and use him on our commercial herd with great success. The calves always come out eager to grow, and quickly pack on the muscle. 8L came off the cow at 943 pounds at the beginning of September and hasn't stopped putting the pounds on since. He's a bull you can't quit looking at, he has so much length to his spine and so much neck extension. We are very excited to hear about the calves that come off of this guy!

HOMO POLLED

Introducing TSF Jacob 16J, words cannot describe how impressed we are with this bull. He is what we have been looking for in a heifer bull for years. His bull calves average 75 pounds at birth and 800 pounds at weaning. With the biggest calf he's ever thrown weighing in at 85 pounds (unassisted). Jacob was collected for in herd use in February and we will without a doubt continue to use him for as long as we possibly can.

HETERO POLLED - HETERO BLACK

Gestation 282 days

Ladies Man takes his name seriously. He's the quietest bull in the pen and will schmooze you into giving him some attention. The first bull we have consigned out of our proven heifer bull TSF JACOB 16J, this bull is a spitting image of his sire. Ladies Man will be safe for the heifer pen and still give you impressive marketable steers in the fall. Note his impressive pedigree which includes TSF Emma 29E, LFE Riddler and on the top side he goes back to Red Summit who has made a very solid reputation for himself. Definitely a no miss bull here.

HOMO POLLED - HETERO BLACK

Gestation 288 days

A definite curve bender for the heifer pen! 5L started out with an 82 pound birthweight and weaned off at 815 pounds on Sept 9, his first calver dam raised 80% of her body weight her first year! 5L has continued to impress being one of the heaviest bulls in the pen right now. 5L is as smooth as they come and comes from multiple generations of low birthweight cattle. His first calver dam JSJ 298J is a sweetheart and we can't wait for what her future holds here. If she can raise one up this good her first time her future looks pretty bright! 5L is the only solid black bull available off of Jacob this year so if you don't want any chrome in your heifer pen look here!

HOMO POLLED - HOMO BLACK - % PERCENTAGE

Gestation 286 days

72 pound birthweight heifer bull with Calving Ease in the top 5%! Off of an attractive first calver that's built right and off of an extremely maternally productive cow family. Lariat is a registered 75 % and he goes back to one of our oldest high performing cow families in our herd. His great granddam who was 16 when we sold her was the type of cow we kept every heifer off of. Theres over 30 cows in our herd that are related to this bull off of his dams side. Those same 30 females produced steers that averaged just under 800 pounds on October 1st. The proof is in the pudding here, all the guess work has been taken out of the equation, Lariat will be a bull that lasts in the heifer pen for years to come.

Thank you to all of our bidders and buyers.
Your support is greatly appreciated!

JNR Koda was purchased by Gayle Gerein in the 2023 JNR Bull Sale. Jerry expressed in Koda's write up how highly he thought of of the JNR Armour. Koda is a moderate sized, smooth polled 2-yr-old bull. Gayle has leased her cows out to Lone Stone Farms, where the cows have all calved to JNR Koda. Birth weight of the calves is between 84-94 lbs with no issues and they are all showing excellent growth.

Koda has an excellent disposition and is very easy to work with. If you are looking for an easy keeping herd sire, who is already proven, you should seriously consider this bull.

Connection

Welcome from Hairy Hill Cattle Co.

HHCC, Hairy Hill Cattle Company would like to thank Transcon for inviting us to be a part of the 2nd Annual Transcon Northern Connection Simmental Bull Sale.

Our business has been based around selling bulls off the farm by private treaty for the past almost 30 years. As a way to help expand our customer base and gain more exposure for our breeding program we have decided to bring some of our most elite bulls to this sale. We are located 4 miles south of Hairy Hill, Alberta at the junction of Township 550 and Rg Rd 142. The herd consists of 260 cow calf pairs, we have a full fleck program with both horned and polled genetics, we also run a Red Simmental program and a Black Simmental program. Having all of this diversity allows us to produce genetics that can fit with anyone's herd that is in need of some Simmental bull power. We run an extensive flushing program each year that consists of flushing cows we own as well as purchasing embryos from many of the top breeders in the industry today. We implant 50 plus embryos per year. We have always strived to produce sound productive cows with good feet and legs and lots of natural muscling and ease of keeping. We invite you to come out to the farm and view the bull pens. There are 30 yearlings and 10 two year olds this year which includes these five bulls who are coming to St. Paul this year.

Feel free to call Mark anytime at 780-208-2375. We look forward to seeing you on or before April 3rd.

Mark, Rhea, Emma, Sawyer, Kassidy and Bill

Growth and performance are at the forefront of this red bull's pedigree. HHCC Lincoln 5L is an embryo we produced from one of our most reliable red flush cows Kop 239A and the powerhouse Tycoon. He has been the best red bull in my pen since he was born and we are very excited to see him go to work for you. With strong maternal traits he will be an asset to anyone's breeding program.

Natural muscling and super eye appeal are only a couple of the desirable traits this showcase bull has. Not only is HHCC Legacy 6L a show stopper of a bull to look at, he also boasts ease of calving and outstanding milk EPD's to help you in building more amazing replacement heifers in your herd. This embryo son from the easy calving Proclamation bull crossed with our outstanding SKORS 412E cow will leave a lasting legacy in your herd.

HHCC Lance 34L has the most balanced set of EPD's in this selection of bulls that I am bringing to the St. Paul sale. He is a natural son out of our Skors Ebony 412E, who is a cow we regularly flush every year. His sire is our outstanding black blaze bull Fenix 6F who we produced from an embryo purchased from Crossroad Simmental. The complete package is what you will find with this bull who has genetics from some of the top lines in our herd.

A hetero polled full fleck bull out of our homo polled full fleck bull Ultra Freedom 66H. HHCC Leo 97L has a pedigree that goes back to the heart of our full fleck herd and all the great cow makers we have produced over the years. He is a solid well rounded bull that will undoubtedly help any herd he is introduced to.

LOT 34 - HHCC LEO 97L

Welcome from Bendall Cattle

Welcome to the second annual Northern Connection Bull Sale. We are glad to be back with another great set of bulls. We would like to thank all our previous buyers, we are glad to say all the bulls are out working locally in commercial herds.

We welcome anyone to view the bulls prior to the sale. Coffee is always on.

Mike, Melissa and Hudson

Mike 780 227-5737

LOT 35 - MBM BLUEY 16L

FULL FLECK - HORNED SIRE VERIFIED - NON DILUTER

Bluey comes from our son's cow Sky Blue Benz. Our son picked the pairing and Blue knocked this one out of the park for a first time mother! Blue Benz has a perfect udder and a great temperament, she came from Skylark Cattle Company. Bluey is a hairy rascal and has great muscle expression in his hind quarter with a calving ease of 13 and birthweight of 79lbs we feel like he would be a good heifer pen candidate.

Hudson is very excited to be able to have his first bull calf go into the auction and have the opportunity to work on his own herd!

Welcome from Clearwater Farms Ltd.

We are very excited to be joining Transcon's Northern Connection Bull Sale this year.

We are a third generation family farm who prioritizes herd longevity. We are relatively new to the registered simmental industry, but have been raising cattle for over 60 years. We decided to start producing bulls to use within our own herd after years of quick turn around with some of the bulls we had previously invested in. We are committed to raising solid footed, docile and maternal animals whose bloodlines we would like to keep for generations to come. We believe in quality over quantity, and we look forward to seeing our bulls progeny continue to expand within your herd!

FULLBLOOD - 2 YR OLD

Older half brother to CWF 22L as they share a dam. Ranked top 10% for calving ease, Marbling and All-Purpose Index. We see a lot of growth out of this sire and he continues to impress us year after year. We contemplated keeping CWF 18K for our own use, however we are still utilizing his sire and we have kept many of his sisters in our herd so we have decided otherwise. If you want a bull that will throw fantastic replacement heifers and growthy steers, this is the bull for you!

Welcome from JEM Simmentals

Welcome to the 2nd annual Northern Connection sale! Myself and my family are very excited to offer this great group of bulls.

I would like to thank the Transcon team for having me in another one of their great sales and to all potential buyers, I appreciate your interest and hope to see you there sale day! Lastly I would like to thank my family, my dad Darren, mom Anjie and my wife Emily for carrying me through, sticking with me and believing in me to bring all you fine cattlemen the very best offering I could!

If you have any questions or would like to view the bulls give me a call or text anytime and I am glad to show and help you out!

SMOOTH POLLED

Where to start. Weaning off at 1060 and pushing the scale down at 1500 on Jan 23 Legend has had "that look" from the time he was born. His dam produces the top performing calf every year. Her temperament is great and that shows in Legend. Her udder is one of the best in my herd and her feet are perfect. He's sired by Copper 63J whose dam reflects those same udder and feet traits. If you want to put some meat on your calves with a little flare, legend fits that bill and then some!

100% FULL FLECK - SCURRED/POLLED

Lottery I think will be a great fit in the heifer pen. His dam I bought from Diamond T at the Lone Stone Invitational has been great! She's packed with a lot of calving ease on both sides, a nice little udder straight feet and dark in colour. His sire has done well for Troy in his heifer pen so I feel Lottery will do great for calving ease. A polled heifer bull is a jackpot if you ask me!

LOT 44 · JEMS LETO 101L

100% FULL FLECK - SCURRED/POLLED

Leto is a bull I really wanted to use myself. He is out of my favourite cow in my herd I bought from Keagan Scorgie and Brad Smith! She is amazing! She is so calm, she has tons of milk with a uniform udder and really good feet. His sire Joker 38J is really cool! A bull I bought from Virginia Ranch and has done amazing for me and I can still pet him! He has alot of length, good feet and really dark pigment. Very excited to offer this bull he is definitely one of the best I've raised so far!
