Welcome

Welcome to our 2014 Bull and Female Sale. The past year has had so many highs. 2013 has been a very good year. We started off with our best calf crop ever (as you will see by this year's offering). Our crops received lots of rain and sunshine giving us the best yields we have ever had. We gained a beautiful daughter as our son married the love of his life (welcome Alisha). Our pastures had lots of grass for the first time in 10 years. Grandson #3, Colton Lawrence Sheppard, arrived November 8th. Our silage and hay crops were bigger than ever before. And to top it all off cattle prices are headed up, up, up. But one thing that has not changed is our commitment to the cattle industry and our focus on raising sound, performance cattle. We strive to grow long spined, thick made cattle with a real focus on 205 day weights. Our 205 day weights are in the top of our industry in both breeds.

Feel free to give us a call and let us help you select a bull or female that will work for you. Remember when you buy a bull at our sale you own him 100%. We do not retain any ownership on any bull we sell. We hope your bull exceeds your highest expectations in breeding and financial rewards. We have bred our bulls for performance and fed them for longevity.

Thank you for your support and bid with confidence.

Lonnie and Karen Brown

Colt was bought out of the stall at Agribition in 2010 as a calf. At the time we said to ourselves "This is the best Fully Loaded son we have ever seen." If you ask us today we will say the same thing. He is long and deep and big. He is so deeply red that he runs to being black on many parts of his body. The calves he is leaving us are exceptional.

B-Train is a son out of 441P, a bull we purchased from the Dimlers in 2005. 441P has impacted our herd like no other. He stands second in Canada for weaning weight and yearling weight. Between him and his half brother, there are over 40 daughters working in our herd. B-Train was used for two years in the herd and then let go to a commercial customer in July of 2011. This fall we went and begged for him back. We just can't bear not to have some more calves from him. A daughter of his sold at Red Round-Up 2012 to the Goad Family Farm for \$4750.

Sales Management Comments

Welcome to the Lone Stone Farms annual bull sale. Come and enjoy a great home cooked meal in the most family friendly and comfortable sale barn in the industry.

Lone Stone Farm's successful sale is a direct result of hard work and a passion for the cattle industry. Lonnie and Karen are the major labour force in this 300+ cowherd that also crops over 2000 acres. This family operation makes it's sole income from agriculture.

This year's offering is bar none the best set of bulls ever produced at Lone Stone. You will find a heavy haired, smooth made, big topped set of yearling bulls. The 2 yr olds are sound and ready to go to work. The bulls are sired by walking herdsires and mothered by a set of cows that either produce problem free or get culled.

Lone Stone wants to supply you with great bulls at a fair price so you make money! The bulls last and work. Ask all the repeat buyers.

Feel free to give us a call at Transcon if you require assistance selecting a bull.

We bought Damage out of Red Roundup 2011. Wow, seems like such a long time ago. You will like the four yearling bulls on offer. They are moderate framed, very smooth made cattle with great muscle definition. The females are very feminine. If you are into EPDs he is doing very well in that area as well.

I took it to the vet clinic to have it set but he told me it was broken too high up and the prognosis was poor so we should put it down. For some reason I broke down and started crying right in front of everyone. Later that calving season the same vet was out to the farm and Nathan (our son) point blank asked him if he was the vet that made his mom cry. This bull is possibly the best animal we have ever raised here at Lone Stone Farms. You may remember him in last year's catalog as lot 50. He didn't make the sale as we couldn't get a semen sample on him. Brad & Nicole at Cinder Angus took him home and used him on about 15 cows and he settled them all on first service. They have 7 calves on the ground as I write this and they are "over the moon" with how good a quality the calves are. Brad took him to Farm Fair in November and showed him. There he won his class and division. He is a bull with such amazing personality and presence. You can catch him anywhere with a halter and Nicole has convinced him that he is really half human. At this time Lone Stone Farms continues to own Revolver outright and we are offering 10 straws of semen here in our sale. Semen is at Alta Genetics.

Terms & Conditions

TERMS - The terms of the sale are cash or cheque payable at par at sale location. The right of property shall not pass until after settlement is made. Transcon Livestock Corp. reserves the right to require a certified cheque as settlement before releasing any sale cattle. Should any purchaser fail to settle for his purchase Transcon Livestock Corp. reserves full power to resell the animal to the best advantage either publicly or privately, without further notice. Any loss arising from such resale together with keep and all other expenses shall be payable by the defaulter. All settlements must be made with the clerks of the sale before any cattle will be released.

BID - Every animal consigned to the sale must be sold by auction. No private sales will be allowed except as otherwise provided for in the terms and conditions. No by-bidding will be permitted. Each animal will be sold to the highest bidder.

SALES TAXES - Applicable sales taxes will be charged on semen, embryos and trucking fees (if listed), respective to the home province of the buyer, not the seller.

DISPUTES - In cases of disputes, bidding will be reopened between the parties involved. If no further bid is made the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

PURCHASER'S RISK - Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time.

INFORMATION SUPPLIED - The information contained in this catalog is believed to be true and accurate. However, the information has been supplied by the seller and neither Transcon Livestock Corp. or Jamesway Enterprises Ltd. assume any responsibility if the information supplied is not accurate.

CATTLE PICTURES - The images in this catalog are believed to be accurate representations of the individual animals. Transcon Livestock Corp. and Jamesway Enterprises Ltd. assume no responsibility if the images as received have been altered.

ANNOUNCEMENTS from the auction block will take precedence over the printed matter in the catalog. Buyers are therefore cautioned to pay attention to any such announcements.

CERTIFICATE OF REGISTRY - A registration/recording certificate issued by the applicable breed association and duly transferred will be furnished to the buyer of each animal after settlement has been made.

It is the responsibility of the buyer to determine the acceptance of this certificate in any other association. **SHIPPING** - Assistance will be given in making shipment after the sale but no risk is assumed by the Sales Management or Seller. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement.

BREEDERS GUARANTEE - As per applicable Canadian Breed Association Breeding Guarantee guidelines. Copies are available at the sale settlement desk to be picked up by the buyer at any time. In no event shall the seller be responsible for reimbursing more than the purchase price.

EXCEPTION TO GUARANTEE - In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, the guarantee shall be null and void.

HEALTH - It is the buyer's responsibility to determine health requirements for importing any animal into his province or state. Transcon Livestock Corp. assumes no responsibility for the health status of any animal in the sale.

ACCIDENTS - Although every precaution will be taken to protect the safety and comfort of buyers, neither the Sales Management, auctioneer, consignors, or Association assumes any responsibility in this matter and disclaims any liability legal or otherwise in the event of accident or loss of property.

RIGHTS AND OBLIGATIONS - The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

TRANSCON LIVESTOCK CORP. IS AGENT ONLY - It is to be clearly understood that Transcon Livestock Corp. is only acting as a medium between buyer and seller and is not in any way responsible for any failure on the part of either party to live up to his obligations, neither does Transcon Livestock Corp. assume any financial obligations to collect or enforce collection of any monies between parties, and any legal action that may, in exceptional cases, be taken, must be between buyer and seller.

The Auctioneer shall have the right to refuse bids from anyone who has a previous record of default in payment or who has not made proper credit clearance prior to the sale with the owner or Sale Managers.
